

Nathaly Setareh Kalantar Cuellar

Nationality: Peruvian **Date of Birth:** 11 Sep 2001 **Gender:** Female

Game Designer and Producer focused on projects with social, cultural, and educational impact. Graduated Cum Laude with First Class Honours from the University of Lima, with a strong foundation in both the technical and creative aspects of game development. Founder of Innerxia, a studio dedicated to innovations in XR and the democratization of access to games. Currently an Erasmus Mundus scholar in the international master's program REPLAY, where I continue to expand my expertise in game design and production.
